is valid for 30 days from date listed.

Project Scheduling

Production time to build quoted unit is 45-60 days from receipt of chassis, the start date for the purpose of scheduling your project on our Production Line shall be dependent on the following items:

1. QVSV receipt of your signed Purchase Order or signed QVSV Proposal.
2. Any deposits required by QVSV proposal being received.
3. Notification of date Vehicle Chassis is scheduled for delivery to QVSV's facility in Tempe, AZ.
4. All initial design details completed and questions answered between customer and QVSV.
5. Delays by customer might impact delivery schedule.

Quality Vans & Specialty Vehicles has been in business since 1974. We are highly experienced in the design and manufacture of specialty vehicles for all types of uses including law enforcement, federal agencies, medical facilities, municipal agencies and commercial applications. We maintain a staff RVIA certified technician and AWS certified structural welders. Our employees have extensive experience in all facets of the specialty vehicle manufacturing business and we enjoy an outstanding reputation for delivering rugged, quality built vehicles at exceptional value. We are a certified Mercedes Benz Master Upfitter. We are a registered vendor on the Federal SAM site with CAGE Code #6TWF5 and DUNNS #078693888. In addition, we are a GSA Contract holder on Schedule 23v contract # GS-30F-010GA.

We operate out of a modern manufacturing facility in Tempe, Arizona. Our facility is conveniently located just 5 minutes from Phoenix's Sky Harbor International Airport. We invite you to visit our web site at www.qualityvans.com to see some of the vehicles we have delivered.
